

condition selected from the group of breast cancer, benign breast disease, pre-menstrual syndrome, symptoms associated with menopause, or a combination of said conditions.

25. The method according to claim 14, for improving the health of a human who has, or may develop, elevated levels of cholesterol in the blood stream.

26. The method according to claim 15, for improving the health of a human who has, or may develop, elevated levels of cholesterol in the blood stream.

27. The method according to claim 14, for improving the health of a human who has, or may develop, cancer.

28. The method according to claim 15, for improving the health of a human who has, or may develop, cancer.

REMARKS

Newly added claims 21-28 are fairly based on claims 9 and 19, originally filed in the international application on which the present U.S. national phase application is based.

The primary purpose of this Preliminary Amendment is to eliminate multiple claim dependencies, and clarify certain claim terminology.

Early and favorable action on this application is hereby respectfully requested.

Respectfully submitted,

DANN, DORFMAN, HERRELL AND SKILLMAN  
A Professional Corporation
